# Brazil PUBLIC LIBRARY

## ARTIST,

The Brazil Public Library is participating in the National Endowment of the Arts Big Read Grant during the months of March and April. We need your help to host an artist exhibition inspired by “Bite by Bite: Nourishments and Jamborees” by Aimee Nezhukumatathil. We hope this work will inspire artists of all mediums to enter the NEA Big Read Art Exhibition.

There is no fee to include artwork in the exhibition. Prizes will be awarded to the Best of Show and People’s Choice, as voted by library customers. Please visit the library exhibition during the month of April. Join us for coffee and conversation at the reception on Monday, April 27 from 6:00p.m.- 7:00p.m. in the meeting rooms on the lower level of the Library as we enjoy a taste of the artistry in our community and present awards.

To enter, please complete a piece based on the theme and submit the form below. Artwork should be dropped off at the Library April 6-9 between 10:00am and 8:00pm. 3-D art will be accepted with advance notice. Please submit artwork and entry forms to Sarah Trover. Sarah can be reached at phone number, 812-448-1981-1113 or by email at [trovers@brazil.lib.in.us](mailto:trovers@brazil.lib.in.us). Pieces must be picked up anytime following the Art Reception on April 28 or before May 2.
